

# Alexander Dubchak

**Address:** 30 Maximilianstraße, Simbach am Inn 84359, Germany

**Age:** 25 years old (10/26/1996)

**Phone:** +3 8 098 279 51 98

**Email:** [olxdubchak@gmail.com](mailto:olxdubchak@gmail.com)

## WORK EXPERIENCE

06/2016 - 07/2017

### **Internship, Ukrinterm, Bila Tserkva Ukraine**

Responsibilities:

- Create detailed drawings in 2D and 3D
- Produce design documentation
- Ensure technical documents, relevant project related information are recorded and filed correctly on the server
- Working on a variety of projects at the same time as part of a small design team

09/2017 – 07/2022

### **Mechanical design engineer, Ukrinterm, Bila Tserkva Ukraine**

Responsibilities:

- Create and update existing CAD models/drawing using AutoCad/Kompas/SolidWorks as per requirements of the project
- Support design activities throughout all stages of the product lifecycle, while making continuous improvements to reduce cost, ease manufacturing, and address problems or issues as necessary
- Product design and development process; ensuring project schedules are maintained
- 3D modelling, detail design, technical calculations, and product development

08/2021 – 01/2022

### **Internship as a process engineer, Progresstech/Boeing, Kyiv, Ukraine**

Responsibilities:

- Produce process documentation
  - Drafting process ideas to reduce costs and improve production rates
  - Ensuring processes comply with safety and quality standards
  - Assess processes, take measurements and interpret data
-

**EDUCATION**

**Bachelor Degree in Power Machine Building**  
**Specialty: Energy Machine Engineering,**  
National University of Food Technologies

2015 - 2017

**Master Degree in Power Machinery**  
**Specialty: Refrigerating Machines and Installations,**  
National University of Food Technologies

2017 - 2019

**ADDITIONAL  
SKILLS**

Microsoft Office: Microsoft Word, Excel, Access  
Adobe: Photoshop, Illustrator, Acrobat  
CAD: Kompas, AutoCAD, SolidWorks, Autodesk Inventor
